

Library and Literacy

We run a Community Library, an Adult Literacy project and Children's Corner. The library has over 4,500 books and more than 1,600 members. Some of those members attend our Adult Literacy classes which are held four times a week. We're also offering other lessons too for adults returning to secondary school. The library team also run Children's Corner on a Saturday to create the next generation of readers.

By donating to this project, you will be helping us to support this important resource for the local communities.

A donation of £15 (\$20) runs these facilities for a day ensuring they are available to both adults and children in our community.
